

Release of Liability

This agreement releases Pine Soil & Water Conservation District (Pine SWCD) from all liability relating to injuries and damages that may occur while using backpack sprayers rented from the district. By signing this agreement, I agree to hold Pine SWCD entirely free from any liability, including financial responsibility for injuries or damages incurred, regardless of whether injuries are caused by negligence.

I also acknowledge the risks involved with using herbicides and spraying in fields, wooded areas, or other outdoor environments. These include, but are not limited to exposure of the chemical to the face and eyes, falling on uneven terrain, strained muscles, damaging personal property, and unintended areas of vegetation killed by herbicide. I swear that I am participating voluntarily, and that all risks have been made clear to me. Additionally, I do not have any conditions that will increase my likelihood of experiencing injuries while engaging in this activity.

By signing below, I forfeit all rights to bring a suit against Pine SWCD for any reason. In return, I will receive use of the districts equipment to spray invasive species. I will also make every effort to obey safety and precautions as listed in writing and as explained to me verbally. I will ask for clarification when needed.

I, _____, fully understand and agree to the above terms.
